

HARDIN COUNTY BOARD OF DEVELOPMENTAL DISABILITIES

# A .5 MILL BALLOT ISSUE TO KEEP PRESCHOOL AND SCHOOL AGE CHILDREN IN OUR SCHOOLS

## Commitment to Compassion

# NOVEMBER 5, 2024

## Inclusion Helps Strengthen Our Community

On **November 5, 2024**, we have a critical opportunity to assist those with developmental disabilities in our community.

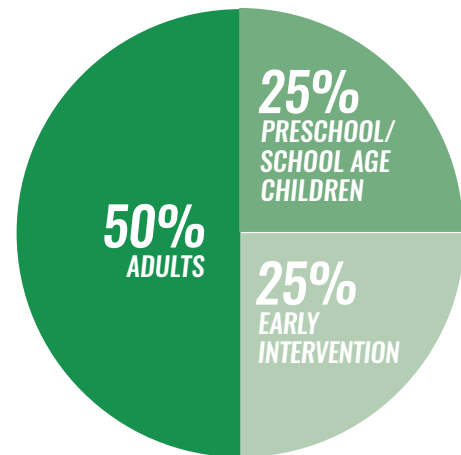

A **0.5 mil levy** (approximately **\$1.46/month** per \$100,000 of home value) will be on the ballot, supporting the Hardin County Board of DD (HCBDD), allowing them to continue the vital services they provide.

However, if the community votes “no” on the levy, we will no longer be able to pay for preschool and school age classrooms at Simon Kenton School.

This levy will ensure advocacy, inclusion and personal growth for individuals in the surrounding area with developmental disabilities. Let’s seize this chance to uphold HCBDD’s commitment to compassion and support for those we serve.

### WHO DOES HARDIN COUNTY BOARD OF DEVELOPMENTAL DISABILITIES SERVE?

Our mission is to support children’s and adults’ choices to live, learn, work, and play for a better tomorrow.

Services for adults include service coordination for housing, benefits, employment, transportation, providers, community integration, health and much more. Services are coordinated with the needs of individuals in mind and are provided 24/7 whether it is day or home based services.
