Dear Athletes, Parents, Providers,

Keeping you informed is a top priority. That is why this year we will offer the One Call Now notification service which will allow us to send text messages to you providing important information about events and emergencies. We anticipate using the system to notify you of changes in practices, cancellations, as well as to remind you of events coming up.

What you need to know about receiving text through One Call Now

- Caller ID will display Simon Kenton School's main number (419-674-4158) when an announcement is delivered
- Cancellation and changes will be sent out immediately when a decision has been made.
- One Call Now will be sent to a phone that can receive text messages only.

The successful delivery of information is dependent upon the accurate contact information for each athlete, so please make certain that we have the most current phone numbers. If the information should change, please let me know immediately.

PLEASE REMEMBER THAT YOU WILL NOT RECIEVE TEXTS UNLESS WE HAVE THIS FORM

Please make sure you have permission to provide another persons number. Return to Simon Kenton ASAP.
